DETAILED ACTION

Status of Rejections Pending since the Office action of June 23, 2005

1. All previous rejections are withdrawn.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

3. Claims 74-80 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claims contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventors, at the time the application was filed, had possession of the claimed invention. Claim 1 has been amended to require the moiety-binding partner complex to be manipulated by an acoustic force. New claims 74-80 list various *additional* physical forces for manipulating the moiety-binding partner complex. No support has been found in the original disclosure for manipulating the moiety-binding partner complex with an acoustic force and an additional physical force, such as a magnetic force or an optical radiation force.

Allowable Subject Matter

4. Claims 1-8, 11-18, 23, 24, 28, 32-34, 36-38, 40, 41, 44-47, 50-52, 68, 69, and 81-83 are allowed.

Final Rejection

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
